

# **FAMILY OF SPRINGLANDS IN ASSOCIATION WITH THE NZ ROGAINING ASSOC**

**Sunday, 5<sup>th</sup> May, 2024, 2 Hour Foot Rogaine**

---

**This event is hosted under the umbrella of the NZ Rogaining Association.  
By entering this event you consent to become a member of the NZ Rogaining Association.**

## **Welcome to the FAMILY OF SPRINGLANDS IN ASSOCIATION WITH NZ ROGAINING ASSOC**

This event is a fundraiser for Springlands Kindergarten to enhance their outdoor play space with a new water feature. The course will be set for families with young children to keep the entertainment high. However, it will also cater for people who are looking for a challenge. This is a great chance to experience a rogaine event and ideal preparation for the Autumn Muster Rogaine to be hosted by the Marlborough Orienteering Club on Sunday 26 May 2024.

### **Location**

The event will take place on the Wither Hills Farm Park, based out of the Rifle Range car park.

Registration, course planning, briefing, start, finish, post event food will all take place at the event venue. Catering will be provided and includes a sausage (vegetarian and Gluten-free options). The cost is included in the entry fee.

### **Terrain**

Largely a variety of rolling land with some moderate and steep hills. Public walking and cycling tracks as well as farm 4wd tracks. Defined ridges, spurs, knolls, saddles, lots of gullies and water courses, plenty of contours with good stock routes.

### **Categories**

2 hours only with Juniors (U18 as of 1 January 2024), Senior and Families (must be all residing at the same address)

All teams must consist of 2 people minimum.

### **Entry Fees (Per Person)**

Junior (U18 as of 1 January 2024) \$20, Senior \$40, Family \$80

SportIdent (SI) – will be used for controls and timing. Only one required per team. Included in the entry fee. There is a \$120 replacement fee if it is lost or not handed in at the end of the event. People with their own SI need to enter the number into the online entry details.

If you are completing the entry for more than one team then please do subsequent entry/entries as separate entries.

ENTRIES CLOSE 9:00PM SUNDAY 28th APRIL 2024. This allows us time to get maps printed and other event logistics.

## **Timetable**

8.30am Registration

9.00am Maps available for planning

10.15am Hand in flight plans and briefing

10.30am Start
